ABOUT  let's colour

Dulux is an internationally available brand of paint. It is produced by AkzoNobel (formerly Imperial Chemical Industries). The brand name Dulux has been used by both ICI and DuPont since 1931 and was one of the first alkyd-based paints.

Dulux is our best-known paint brand, available in more countries than any other. We make paint in 26 countries on four continents: Europe, North America, Latin America and Asia. Our headquarters are in Slough, in the UK. Wherever in the world you find Dulux, that gives both the user and professional painter help and inspiration to create the best possible results.
