Gluten FREE

What is gluten?

Gluten is a grain protein which provides baking ability. Due to the gluten, doughs have a good processing capability and baked goods a light crumb.

Why gluten-free?

Gluten-free products are a part of a special diet for coeliac disease sufferers and for those people who have chosen a gluten-free diet.

"Gluten-free" means that less than 2 g gluten may be found in 100 kg product (EU & US limit)
